

Mrs. Landis' class

I sent home "Snow Day" packets for your student. If we have a school cancellation I am asking that your student complete one math worksheet and one reading worksheet of their choice. Please have them bring the pages they did back to school when we return for a prize. I will be texting and calling everyone to make sure there are no questions.

Students also have the option to go on to one of the three listed below and work. If I get a message from a parent then your student can get 10 extra purple tickets. Should you have any questions or concerns, feel free to reach out to me.
