

Hello families!

As we are entering the season of inclement weather, which can include school closings and two-hour delays, I want your student to be prepared in the event of a school cancellation. I will send home “Home Learning Packets” for your child. In the packet there are supplies each student will need in order to complete their work. Papers within the packet are to be completed.

We have been practicing working independently and they should be able to do most of the work with minimal help. The expectation is for paper/pencil work to be completed the day of cancellation and returned to school the next day. Should you have any questions or concerns, feel free to reach out to me.

Hopefully, we won't have to utilize any snow days, but it is always good to be prepared. Have a great evening, stay safe and warm!

Thanks,

Mrs. Firkins
